Hi Ladies,

I was wondering if you knew who my new chemist was going to be as I need to turn this info over to Def Counsel.

Also, CPD informs me that the drugs were delivered to you last week.

Thanks,
Megan

Hi Julie,

This case is coming up for Trial in the beginning of June and I just realized that Annie Dookhan was the primary chemist. Please let me know what we need to do to have the drugs retested.

Thanks,

Megan
